

June 2018

Dear friend,

For the last few years, the Lord has directed our focus to the great land of Peru to help teenagers there understand the verities of life and the call of Jesus Christ on their lives. Your support for this important endeavor has been crucial.

Reaching a whole country through its teens

This map shows most of the cities and towns in which Proclaim is working or has worked in the past, and a few cities where new endeavors are scheduled for outreaches this year.

A normal week of outreach includes a dozen or more events in a city's high schools. After a professional speaks on an important social issue – such as abuse awareness, saving sex for marriage, or addictions – a youth evangelist shows teens why they should surrender their lives to Jesus Christ.

The door for ministry is open in Peru

More than three thousand teenagers have responded to the gospel in the last three years, and we are charting new avenues for reaching their parents with the gospel, too.

Our hearts go out to the many thousands who hear the truth and yet have not turned to Christ and the hundreds of thousands who have not yet heard.

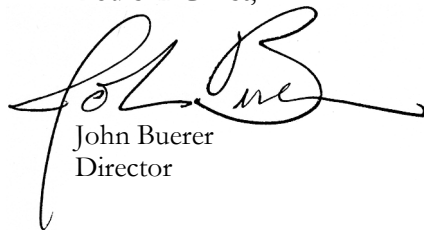

Thanks for praying for Peru

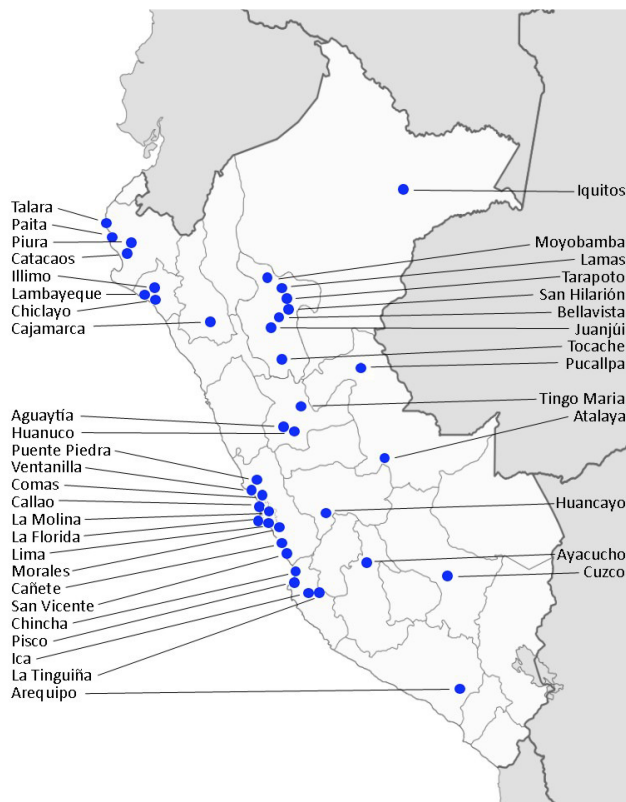

To this day, Peru is a great open door for connecting with teenagers.

Your interest and assistance have helped make the difference in the lives of many, and we thank God for you.

Please continue to pray with us as we chart new avenues for reaching the teenagers of Peru. May God bless you as you do.

Yours in Christ,

John Buerer
Director

PERU: A LARGE AND DIVERSE LAND

PERU IS ALMOST TWICE AS LARGE AS TEXAS AND HAS A LARGER POPULATION. IT IS THREE TIMES AS LARGE AS CALIFORNIA.

IT ENCOMPASSES THREE DISTINCT ENVIRONMENTS RUNNING NORTH TO SOUTH FOR 1,300 MILES. COASTAL LANDS WHERE MOST OF THE POPULATION LIVE ARE DESERT. THE HIGHEST PART OF THE ANDES MOUNTAIN CHAIN FORMS THE COUNTRY'S 'SPINE,' AND AN EXPANSE OF JUNGLE TO THE EAST EMBRACES THE HEADWATERS OF THE AMAZON RIVER WHICH RUNS EAST ACROSS THE ENTIRE CONTINENT OF SOUTH AMERICA.
